03

Once all profile tabs are completed, go to ‘Upcoming Test/Batches’ and click ‘Enroll Now’.

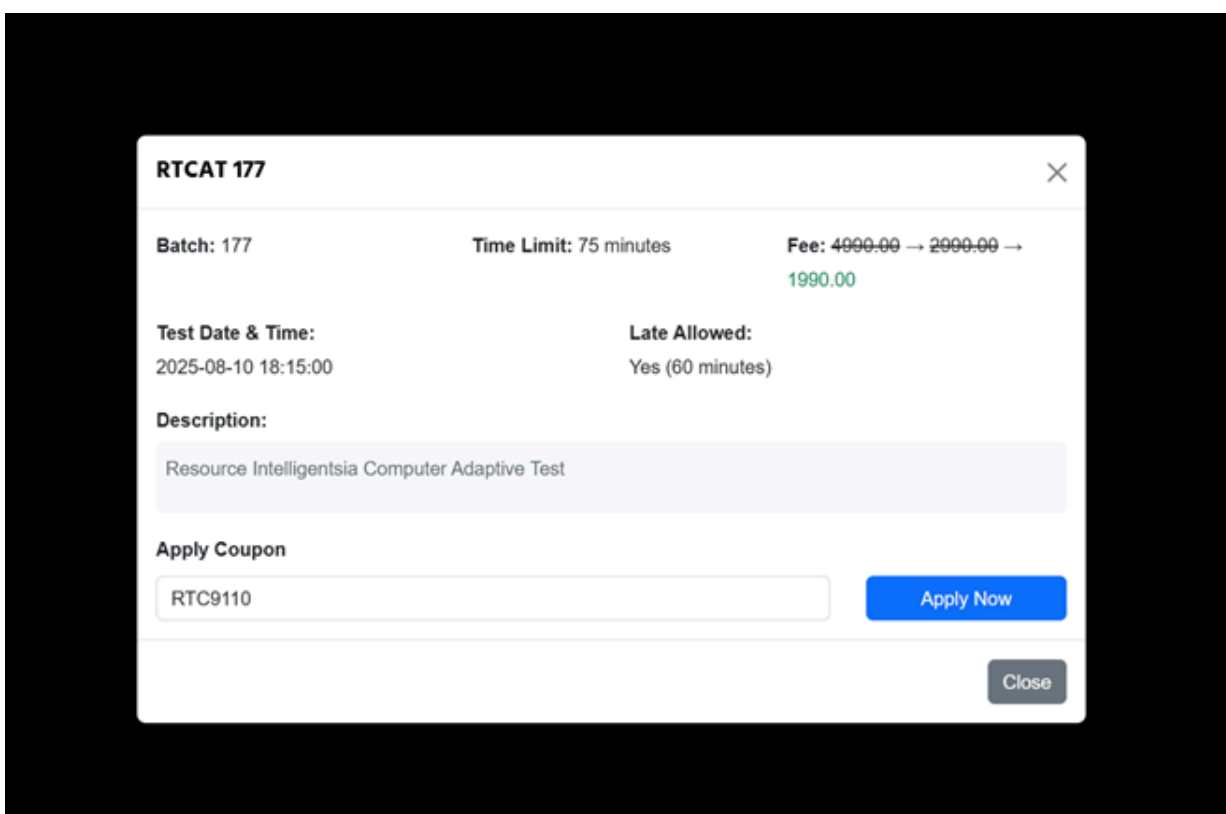

04

If you don't have a coupon, simply click ‘Apply Now’ to get the generic discounted price by RTCAT.

05

If you have a valid coupon, enter it and click ‘Apply Now’ to get a further discount.

06

Now click on 'Pay' button

The screenshot shows the RTCAT user dashboard for Ahmad Ali. On the left is a sidebar with navigation links: Dashboard, My Profile, My Tests, Upcoming Tests/Batches, and Payment History. The main area is titled 'Payment' and contains a form with the following fields: Candidate Email (plomoth@gmail.com), Candidate Name (Ahmad Ali), Candidate Mobile (+92-335-8952366), Transaction Amount (1990.00), and Test Description (RTCAT 177). A blue 'PAY' button is located at the bottom right of the form.

07

Pay using a debit/credit card, Easypaisa, JazzCash, U Paisa, or a bank account.

The screenshot shows the PayFast payment page. On the left is a 'Summary' section with the total amount of PKR 1990.00 and transaction details: Date (2025-08-10T18:13:25), Order no. (94), and Store Name (RTCAT). On the right is the 'Pay With Bank Account' section, which includes icons for Google Pay, Credit & Debit Card, Mobile Wallet, and Bank Account. The 'Bank Account' option is selected. Below the icons are fields for Bank (Select Bank), Account Number/IBAN (Account Number), and CNIC (XXXXXX-XXXXXXX-X). A 'PAY' button is at the bottom.

08

Click on your preferred payment method (e.g., Easypaisa under mobile wallet), and confirm payment using your registered Easypaisa number.

The screenshot shows the PayFast payment page for a mobile wallet transaction. The 'Summary' section on the left is identical to the previous screenshot. The 'Pay With Mobile Wallet' section on the right includes icons for Google Pay, Credit & Debit Card, Mobile Wallet, and Bank Account. The 'Mobile Wallet' option is selected. Below the icons is a 'Wallet' dropdown menu with 'EasyPaisa' selected. There is a 'Mobile Number' field containing '03160003333'. A green 'PAY' button is at the bottom.

09

After enrolling, go to the 'My Test' tab to view your enrollment and remaining time to start the test.

The screenshot shows the RTCAT dashboard for a user named Ahmad Ali. The left sidebar contains a 'WELCOME AHMAD ALI' header and a menu with 'Dashboard', 'My Profile', 'My Tests' (highlighted), and 'Upcoming Tests/Batches'. The main content area is titled 'My Test Attempts' and contains a table with the following data:

Test Title	Time Duration	Test Start Time and Date	Status
RTCAT 178 August 10, 2025	75 minutes	2025-08-10 18:25:00	Pending

Below the 'Status' column, a timer indicates 'Starts in: 0h 0m 57s'.

10

On the test date and time, click the 'Attempt' button.

This screenshot is similar to the previous one but shows the 'Attempt' button next to the 'Pending' status. The timer now shows 'Time Left: 59m 57s'.

11

Read all instructions carefully and allow access to your laptop/PC camera.

Test attempts using mobile phones or tablets are NOT ALLOWED.

The screenshot shows the 'RTCAT - Test Instructions' screen. It includes a list of instructions for the test, a 'Start Test' button, and a circular timer in the top right corner showing '00:00' and '1 / 63'.

RTCAT - Test Instructions

Please read carefully before starting the test:

- Device Requirement:** You must attempt the test on a laptop or PC. Using any other device may cause display issues, preventing you from viewing all questions properly. Additionally, since auto-proctoring will not be enabled on unsupported devices, your results will be void.
- ☒ **Adaptive Test:** Questions adjust based on your answers; you cannot go back to previous questions.
- ☒ **Proctoring Enabled:** Your webcam & screen will be monitored, with live images and recordings captured.
- ☒ **Permission Required:** You must grant access to your laptop/PC webcam to proceed with the test.
- ☒ **Continuous Monitoring:** Any halt in camera access, obstruction of the live feed, or external blocking of webcam access will prevent auto-proctoring. In such cases, Resource Intelligentsia reserves the right to disown your results.
- ☒ **Secure Environment:** The test runs in full-screen mode. Exiting or switching tabs is strictly prohibited until completion.
- ☒ **Single Attempt Only:** If you close the test, quit, or your device shuts down, your attempt will be void—no reattempts allowed.
- ☒ **Strict Monitoring:** Any suspicious behavior (e.g., looking away, using other devices, or seeking external help) may result in disqualification.

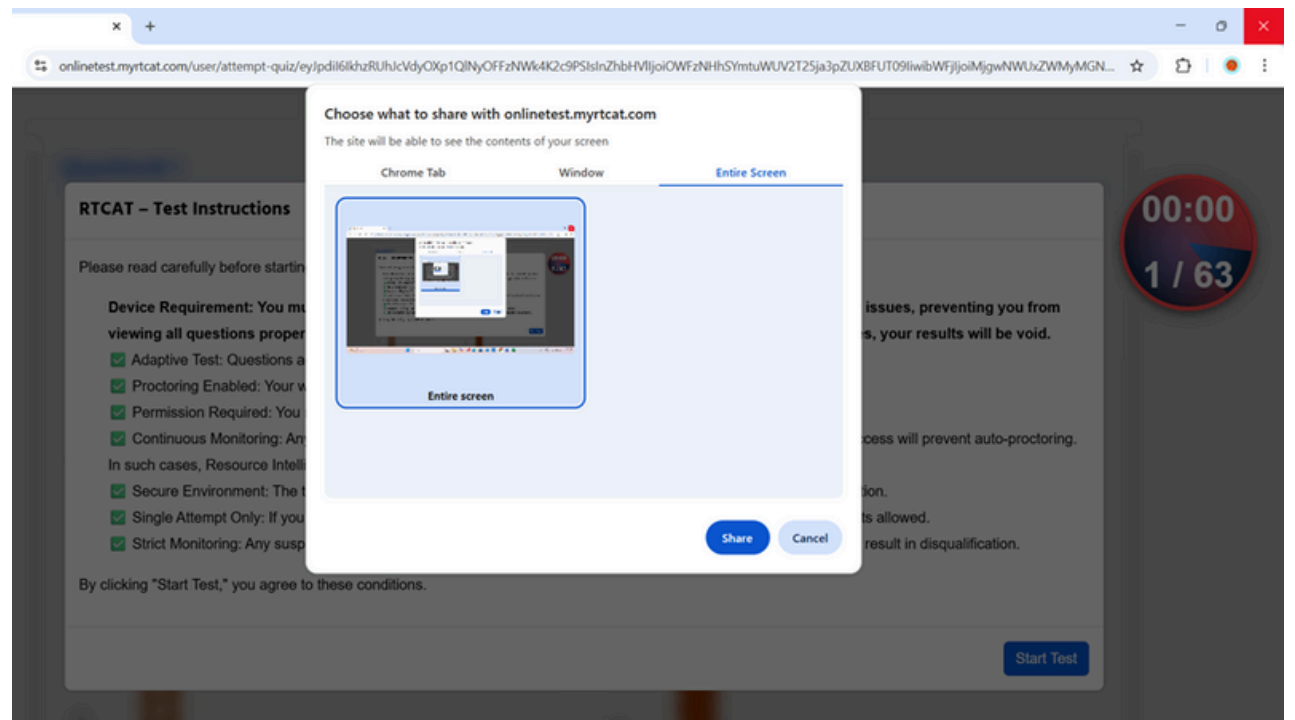

By clicking "Start Test," you agree to these conditions.

12

Click 'Start Test', then go to the Entire Screen tab, select available screen, and click Share.

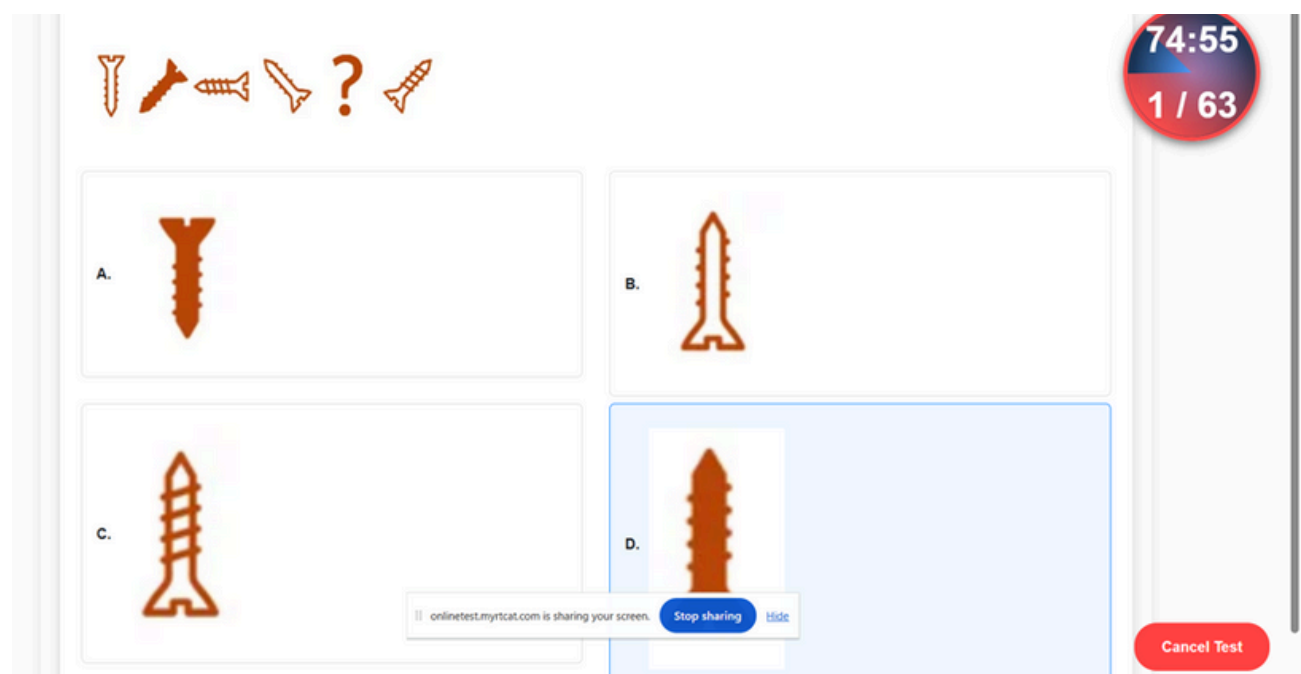

13

Camera and screen access granted. Now click on 'Start Test' to begin.

14

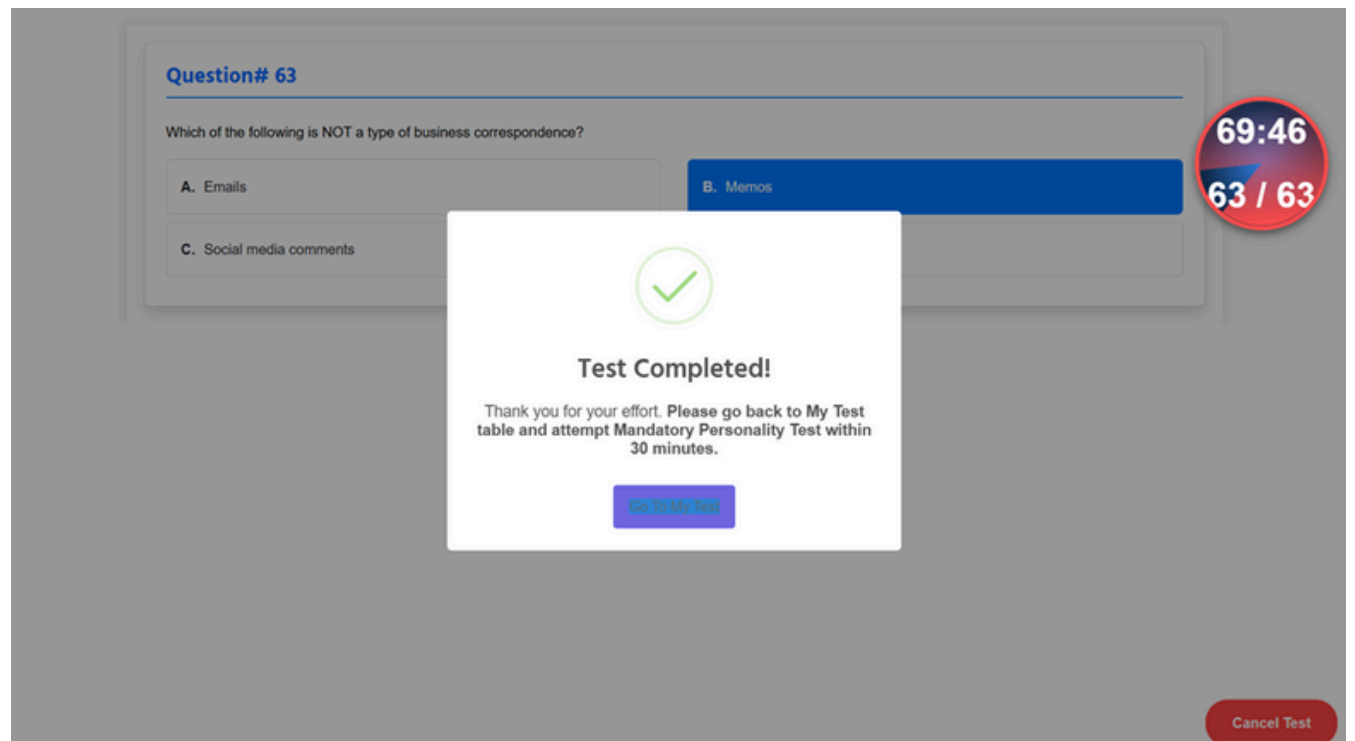

Test started. Select an option, scroll down, and click 'Next.' Hide the screen sharing bar to avoid disturbance—do not stop sharing the screen.

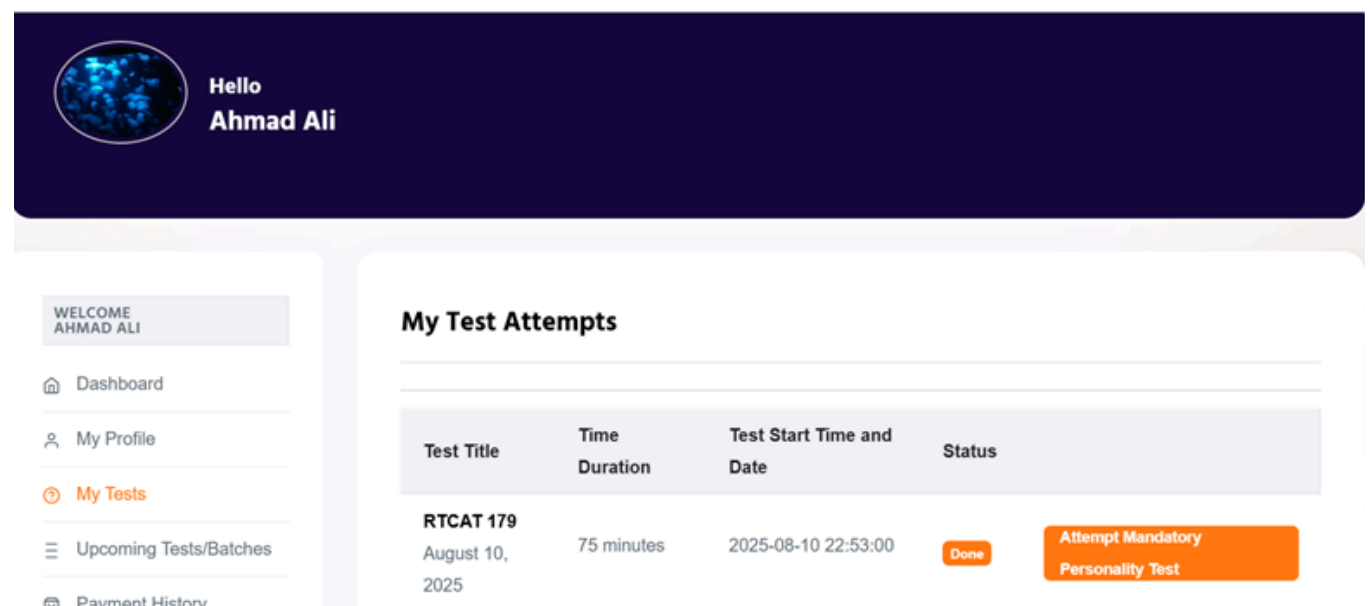

15

After completing the test, click ‘Go to My Test’ to take the mandatory Personality Test.

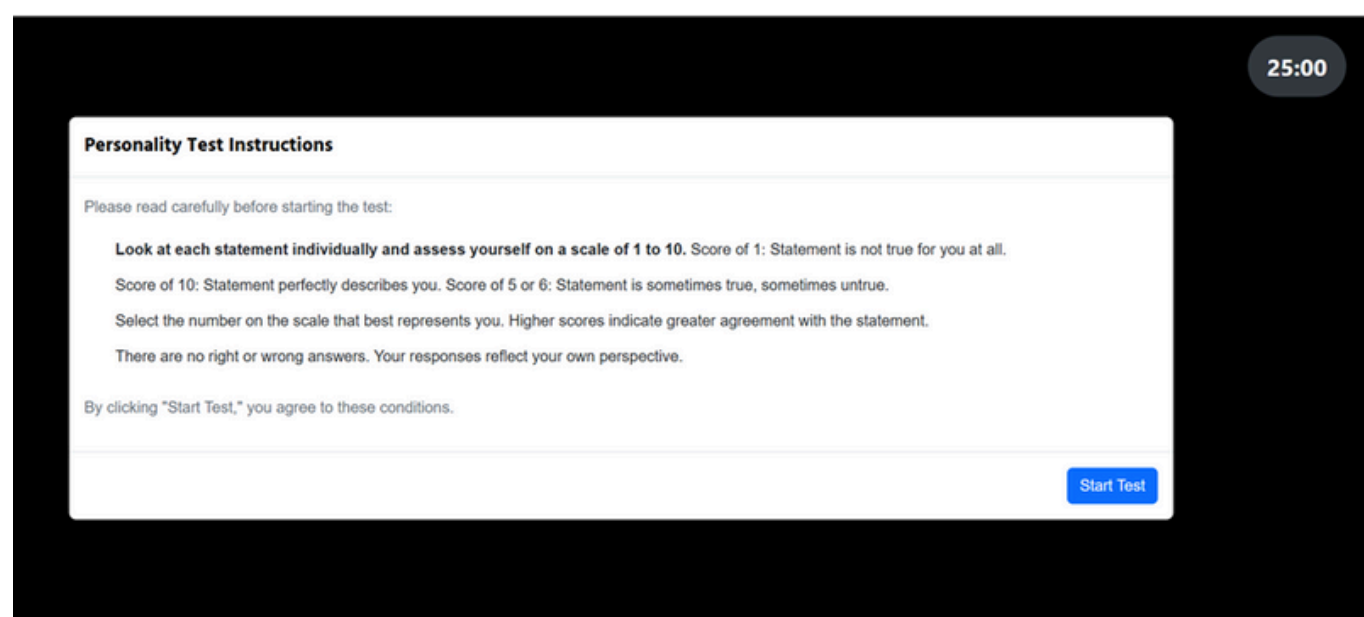

16

Click ‘Attempt Mandatory Personality Test.’

17

Read the Personality Test instructions carefully, then click ‘Start Test.’

18

Answer all personality test questions, selecting a score from 1–10 for each, then click ‘Next Question.’

The screenshot shows a web interface for a personality test. At the top, it says 'Question# 26' and 'Category: Personality Test'. The question is 'I can lose sleep because I dwell upon past events.' Below the question is a horizontal slider with numbers 0 to 10. The slider is currently set to 6. Below the slider, there are three labels: 'Statement is not true for you at all.' at 0, 'Statement is sometimes true, sometimes untrue' at 6, and 'Statement perfectly describes you.' at 10. There is a 'Next Question' button at the bottom left and a 'Cancel Test' button at the bottom right. A timer in the top right corner shows '18:00'.

19

After completing the test, return to the dashboard and wait until your result is ready for download.

The screenshot shows a 'Test Completed!' message in a white box with a green checkmark. The text says: 'Thank you for your effort. Your test has been successfully submitted. The result will be announced within 24 hours.' There is a 'Return to Dashboard' button. In the background, the test interface is visible, showing the slider and the 'Next Question' button.

IMPORTANT INSTRUCTIONS:

Do not switch screens during the test—on the third attempt, your test will automatically terminate. Other buttons are disabled. You must complete the test yourself, as auto-proctoring will verify your ID photo against live images. Any suspicious movement or outside help will disqualify you. Use a PC/Laptop with a functional camera; without it, you cannot attempt the test. Ensure you have a fast, stable internet connection. For any queries during the test, contact the RTCAT helpline via email or phone.
